Industrial & Environmental Noise Control Solutions

Is your manufacturing area noisy, are your employees wearing hearing protection, do you want to lower your insurance premiums and be OSHA compliant?

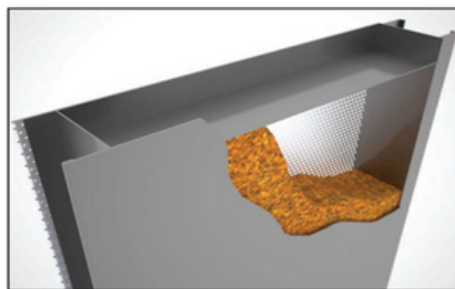

Kinetics Noise Control & Central States Group your local Kinetics rep has cost-effective solutions to reduce unwanted noise!

Kinetics Noise Control Curtains

Noise control curtain systems are a cost-effective solution to reduce unwanted noise between noisy equipment and the work area. Our curtains are customized to your application and are available as both barrier walls, moveable partitions and complete enclosures.

Kinetics NOISEBLOCK™ Acoustic Panels

The NOISEBLOCK™ double-walled acoustic panels can be quickly and easily be assembled into an equipment enclosure or wall for indoor and outdoor application. Standard panels are fabricated with an outer solid shell of 18 gage and inner perforated shell of 22 gage steel. The acoustic grade fill is fiberglass or mineral wool which are mildew resistant.
